We continue to operate in a difficult business environment where deteriorating law and order situation, high inflation, weakening rupee, counterfeits and energy shortages test the resilience of the business and its people. We continue to apply a rigorous approach to supply chain costs and savings. Cost rationalization initiatives across the entire spectrum of business will continue to remain our priority.

We are confident that brand building and activation measures will deliver better results and our future growth is contingent upon such investments.

BUSINESS RISKS AND FUTURE OUTLOOK

We expect the uncertainty in current local and Global environment to continue in the near future. However, the business is fully equipped to deal with these challenges and we will continue to invest, innovate and stand committed to creating value for our stakeholders.

Strong emphasis will be placed to revamp distribution structure and brand communication combined with innovation to restart market growth. The management will continue to focus on key growth parameters of; innovation, brand differentiation and continuous business expansion including expansion in new categories.

In closing, we would like to place on record our appreciation for the commitment, devotion to duty and hard work of the officers and workers of all categories.

May Allah give us the courage to face the challenges ahead. A'meen
